## INTO THE WOODS

Allegorical or not, Karl Lagerfeld's decision to transform the Grand Palais into a dark fairy tale forest for the Chanel Fall Winter 2018/2019 Fashion Show, was an awe-inspiring one. Models like Grace Elizabeth and Kaia Gerber paraded through piles of leaves, embracing knits, tweeds and fur in an elegant yet quirky kind of way. Innovative trends along with 70s, 80s and 90s vibes flew all over the place, setting the tone for an interesting new season with a sprinkle of nostalgia.
